

# Nanotechnology Programs

Distance Participation (Books & CDs) + Online classes & Assessment + Certification

Nanotechnology (the science of 10<sup>9</sup> scale), the hottest technology of all times having USD 1.0 trillion potential by 2015 (US Govt. Estimates) and more than 20 lakh jobs/year (Nano Victoria, Australia) is also taking over India in a big way. With all areas, sectors & industries being affected drastically by the latest developments, Nanotechnology is set to become next revolution in India very soon.

## Admission Notice

Join now for Scholarships

### Introductory Program in Nanotechnology

- New Visionary program for budding professionals (for 10th & 12th)

### Nanotechnology Sensitization Program\*

- A Knowledge - Centric Web based interactive program (Graduation in any field)

### Integrated Program in Nanotechnology\*

- Basic to advanced level Technical Program (Graduation in Science/Engineering)

### Industry Program in Nanotechnology\*

- Advanced Technical Program, (Graduation in Science/Engg, Nanotech. knowledge required)

### Nanotechnology Teacher's Training Program\*

- A training intensive program for teachers in engineering & science colleges (for Teachers)

### BioNanotechnology & Medical Applications\*

- A focused Nanotechnology program for Biological/ Life Science Graduates/ PGs

### EHS (Environment, Health & Safety) Compliance Professional

- A program for current and & would-be EHS Professionals (Graduates in any field)

### Scientific & Technical Writing Program

- Industry driven Program for Graduates/ PGs, Ph.Ds & Working Professionals

**Specializations:** { • Medical Writing • Scientific Writing • Content Writing  
• Business Writing • Software Documentation

Duration (Months)	Fee (Rs.)
3.0	4,000/-
6.0	8,000/-
9.0	20,000/-
6.0	15,000/-
3/6	10,000/-
6.0	10,000/-
6.0	10,000/-
6.0	10,000/-

Scholarships(Fee waiver)

(Check conditions on [www.nstc.in/programs](http://www.nstc.in/programs))

1. SC/ ST/ OBC/ Physically challenged - 40% scholarship
2. Women Candidates - 40% scholarship
3. Group (more than five students - 45%, more than ten students - 50%) Single DD Payment
4. Academic Scholarships: based on marks in last board/university exam passed

Applicants can avail fee waiver at the time of sending the fee DD with the application form.

\* Applications received before 15<sup>th</sup> Nov will receive Rs. 4000/- worth technical report free

Further information available at: [www.nstc.in/programs](http://www.nstc.in/programs)

Admission Open **Now** till 15<sup>th</sup> Dec. 2009

Over 2000 participants from top 500 Indian Co's MNC's & Institutions such as Wipro, Infosys, TCS, Tech Mahindra, Johnson & Johnson, Siemens, ITC, Sap Labs, AIIMS, Biocon, Dr. Reddy's Lab, SRL, Ranbaxy, HSBC, HCL, Nokia, Larsen & Turbo, Tata Steel, MRF, Reliance Energy, TVS, ONGC, IISc., ISRO, DRDO, IITs, various PSUs have already become NSTC certified professionals.
